ABOUT THE COLLEGE

Marwari College, Ranchi, an Autonomous Constituent College of Ranchi University, Ranchi aims to provide higher education among aspiring students especially who are socially and economically deprived. Established in 1963 by the Marwari Shiksha Trust and its founder Late Mr. Ganga Prasad Budhia, the College nurtures youth to flourish in higher education. A separate wing for women was initiated in July 1967.

With a strong emphasis on skill-based learning, innovation and sustainability, the College aims at fostering a vibrant academic environment that shapes future leaders and professionals equipped to address global challenges. As part of the growth, the Institution has introduced B.Sc. in Artificial Intelligence (AI) and Machine Learning (ML) with an aim to equip students with technological advancement. As part of UGC guidelines, Indian Knowledge System has been incorporated in teaching/learning processes at the Institution. Presently, Marwari College, Ranchi, is an Autonomous Constituent College. It was accredited by NAAC Accreditation for Higher Studies and was given the status of 'Potential for Excellence' by University Grants Commission (UGC). The College provides Undergraduate and Post-graduate Regular Courses along with Under Graduate and Post-graduate Job-oriented Courses.

Treasurer: Santosh Rajwar, Department of Physics, Marwari College, Ranchi

SCOPE OF THE CONFERENCE (IICESTPM-2024):

The main aim of the conference is to provide a platform to the scientist, research scholars, research scientist from academic institutions, industry and research institutions in the field of interdisciplinary subjects from all over the country to interact with each other and share their ideas. The young scientist and scholars will get a chance to put forward their research work in front of the experts of their particular field. In order to provide them a holistic platform, Marwari College, Ranchi has taken the initiative to organize an “**Interdisciplinary International Conference (IICESTPM-2024)**”. The conference will focus to facilitate the exchange of latest research, current practices, and future trends in the field of interdisciplinary subjects that would best fit for the local as well as global needs.

CONFERENCE (IICESTPM-2024) THEMES:

❑ **Biological and Chemical Sciences Division**

- ❖ Algal Biotechnology and Green Chemistry.
- ❖ Ethnobiology, Medicinal Plants, Cytogenetics, & Global Environmental Issues.
- ❖ Nanotechnological Advancements in Basic & Applied Sciences.
- ❖ Biofuels, Bio-products and Biomaterials.
- ❖ Seed Science Technology.
- ❖ Innovative and Cutting Edge Tools/Methodologies in Sciences.

❑ **Physical and Computational Sciences Division**

- ❖ Renewable Energy and its Applications.
- ❖ New Trends in Pure and Applied Sciences.
- ❖ Nanotechnological Advancements in Physical Sciences.
- ❖ Industry, Technology Information, Innovation and Development.
- ❖ Internet of Things (IoT) Technology in Physical/Chemical/Biological Sciences.
- ❖ Artificial Intelligence and its Application in Physical/Chemical/Biological Sciences.

❑ **Allied Divisions**

- ❖ Indian Knowledge System in Science .
- ❖ Recent Advancements in Science, Education & Research.
- ❖ Impact of Science and Research towards the Betterment of Tribal People/Society.

ADVISORY COMMITTEE MEMBERS:

- ❖ Dr. Arun Kumar, Dean of Science & Head, PG Department of Botany, Ranchi University, Ranchi.
- ❖ Dr. Sunil Kumar Singh, Head, PG Department of Physics, Ranchi University, Ranchi.
- ❖ Dr. A.K. Delta, Head, PG Department of Chemistry, Ranchi University, Ranchi.
- ❖ Dr. Bandana Kumari, Head, PG Department of Zoology, Ranchi University, Ranchi.
- ❖ Dr. Asha Lata Keshri, Head, PG Department of Mathematics, Ranchi University, Ranchi.
- ❖ Prof. Rintu Banerjee, Deputy Director, Indian Institute of Technology, Kharagpur, West Bengal, India.
- ❖ Prof. C. Thakur, Department of Mathematics, BIT Sindri, Jharkhand.
- ❖ Dr. Satish Chandra Gupta (Retd.), Dept. of Physics, Ranchi University, Ranchi.
